

Of the twenty five players who signed-up originally, twenty two took part in this, the fourth year of the 3-Club competition, which was played in good golfing conditions: overcast, relatively warm, with no wind but rather wet underfoot.

For the team event, the Andy Caps were again somewhat under-represented so the solitary 'wild card' player was assigned to them.

We had nearies on every hole, including closest to centrelines on holes 7 and 8.

The full results are given in the table and the tactical choices of tee are noted – just four played off yellow. Unfortunately, two players exacerbated injuries and made 'no returns'. (It's a tough competition!)

On the basis of the team-average Stableford scores, Friday's Men marginally led the Mulligans. Then, with the nearies taken into account (0.5 points per neary added to the average), Friday's Men surged further ahead to win comfortably. Notably, Erik claimed three nearies!

Individually, Vincent was in third place with 32 points, Brian was second with 33 points and Ton first with 34 points. Congratulations Ton!

Our thanks to Reno, Willem and Ton for organizing the nearies and to Jan and the team in ESCAPE for preparing the buffet.

It was again our pleasure to organize the event.
