

Chaturvedi Veterans Tournament

14 and 16 May 2019

The 7th Chaturvedi Veterans Tournament was held on Tuesday 14 and Thursday 16 May on the ESTEC course. As usual the format was the demanding medal stroke play with handicap adjustment. Twenty players competed over both rounds with twenty four participating overall.

Conditions were 'interesting' with modest temperatures, some sunshine and a strong-ish, mostly easterly wind leading to much ball searching and the recording of several scores of '10' on a hole on both days, i.e., pick up and move on.

George led the charge on the first day with an excellent two under par round, closely followed by Ben, Nely and Clare. Their form continued on day two with the rest of the field making no impression. In a tight race, with each carding 9 strokes on a hole, George held off Ben on day two to win with 117 net strokes. In the conditions this was a great score but the top winning score remains that of Hanna with 114 in 2014.

For a change of venue and menu, Wil had arranged the dinner on Thursday at the Peking Chinese restaurant in Katwijk and twenty three persons enjoyed a number of excellent and varied dishes. Our thanks to Dinesh and Beena for again providing the welcoming Prosecco and the first drinks at dinner and also to Beena and Jenny for providing some very filling 'nibbles' and drinks in the Check Inn on Tuesday.
